EIGHT YEARS OF SUFFERING

Dizziness, Palpitation of the Heart, Weakness and Melancholy

Cured When This Ohio Woman Used Dr. Williams' Pink Pills to Build Up Her Debilitated System.

There would be less suffering among women if they knew as this Ohio woman does, how Dr. Williams' Pink Pills strengthen the blood to meet the demands made upon it to maintain normal

health.
"For eight years," says Mrs. Charles
E. Miller, of No. 213 Xenia avenue,
Wilmington, Ohio, "I suffered from dizziness and palpitation of the heart, and tiness and palpitation of the heart, and after the birth of my little girl I remained very weak. I was nervous, down-hearted and could not sleep. At intervals I was prostrated for weeks after which I had scarcely strength enough to drag myself around the house. Whenever one of these spells approached it always filled me with dread. It often seawed to me that I would rether dieses. seemed to me that I would rather die

seemed to me that I would rather die than live.

"One day a friend strongly recommended Dr. Williams' Pink Pills, and I was induced to give them a trial for my troubles. Before I got through the first box I experienced great relief. For the first time in all these years I felt that I was gaining a little strength. I continued to use them with hopefulness, and by the time I had taken four boxes I did not feel like the same woman. The weakness, the melancholy, the restlessness from which I suffered so long have disappeared and life is entirely different. I am glad that I took them myself and I heartily recommend them to others for what they have done for me."

Dr. Williams' Pink Pills have also curied anemia, rheumatism, after-effects of the grip and fevers and such nervous diseases as neuralgia, nervous headaches.

diseases as neuralgia, nervous headaches, dizziness, St. Vitus' dance and even partial paralysis and locomotor ataxia.

A booklet of valuable information, entitled "Plain Talks to Women," will be

sent free to any woman interested.

Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid.

On receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y
